Office of the Superintendent

December 9, 2025

Dear Ram Community:

I want to inform you that Ligonier Valley School District will operate on a two-hour delay for **all students and staff** on Friday, December 12, 2025, out of an abundance of caution.

West Penn Power has scheduled a planned electrical interruption between 8:00 am and 9:00 am, that will temporarily cut power to our school buildings. Although Laurel Valley Elementary School will not be affected by this outage, they will operate on a two-hour delay as well, due to transportation limitations. The outage is expected to be brief and we are implementing this delay to ensure the safety and comfort of everyone entering our facilities.

While we do not anticipate significant temperature loss in the buildings, we encourage everyone to dress appropriately should the buildings be cooler than usual upon arrival.

Thank you for your understanding, patience, and cooperation as we take these precautionary steps to ensure a smooth start to the day.

Sincerely,

Matthew Mols
Superintendent
