

St. Clair Township Police Department

550 Seward St. Seward PA 15954

(814) 446-4261

Patrick M Goggin, Criminal Investigator

Police Department Report for April 2024

1. The department is continuing our efforts with the Report Management system to retain a smooth transition with the switch to the NIBRS reporting system. This helps with crime reporting and aids the FBI with tracking trends on criminal activity. This reporting is mandatory. The department is on the cutting edge of this transition which will eventually be required by all police Departments. We will continue with training in this area, and work with our records management system (RMS) to insure continued progress in this area. We have located shortcomings in our RMS that have since been corrected by the RMS.
2. The department continued with efforts on increased visibility. This improves our efforts in traffic control and public relations.
3. With warmer temperatures and more sunshine, snakes will begin to reappear. To reduce the likelihood of having snakes on your property, please keep lawns cut and prevent an accumulation of articles that could serve as a shelter for small rodents. Snakes will, generally, search out such places as they provide a food source. If you encounter a snake, do not bother it. If it must be moved along, a spray with a garden hose should accomplish this task.
4. Numerous stops occurred for driver's not having their headlights activated when their wiper system was in use. Per 75 Pa.C.S. Section 4302,

Periods for requiring lighted lamps.

(a) General rule.--The operator of a vehicle upon a highway shall display the lighted head lamps and other lamps and illuminating devices required under this chapter for different classes of vehicles, subject to exceptions with respect to parked vehicles, at the following times:

(1) Between sunset and sunrise.

(2) Any time when the operator cannot discern a person or vehicle upon the highway from a distance of 1,000 feet due to insufficient light or unfavorable atmospheric conditions, including rain, snow, sleet, hail, fog, smoke or smog.

(3) Any time when the vehicle's windshield wipers are in continuous or intermittent use due to precipitation or atmospheric moisture, including rain, snow, sleet or mist.

Respectfully Submitted,

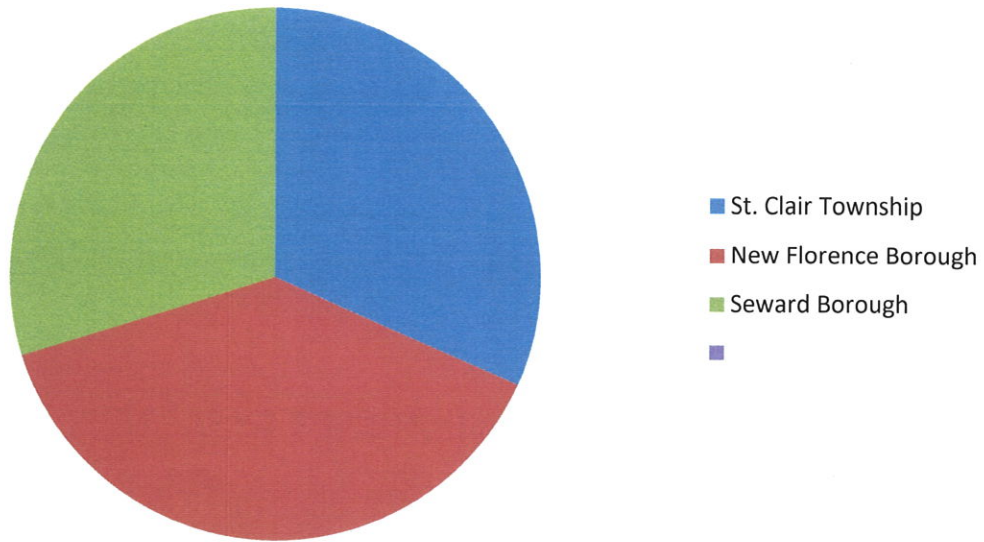

Patrick M. Goggin

Criminal Investigator/SCTPD

April 2024 Fuel and Mileage Log

Unit Number	Date	Gallons	Total
492 (Unmarked Ford)	4/1/2024	11.965	\$45.46
