### **Police Department Report for April 2025**

The Police Department continues to move forward with training events attended by officers to improve our service to the communities we serve. The department is back to full staff after one of our officers returned to duty after an injury not related to this department. There was one incident of communities. We have received numerous complaints regarding this group. The incident resulted in five subjects being charged with disorderly conduct. There were two traffic citations issued in New Florence Borough. St. Clair Township also had two traffic citations. As public service drivers are reminded that during a power outage when traffic lights are out you must treat them as stop signs you must come to a complete stop. Also remember to use your turn signals.
