Police Department Report for December 2024

The department has completed all the required MPOTEC training for 2024. All the necessary NIBERS entries are entered and certified by PSP and the FBI. I have completed my legal updates for 2025 as the Chief. I feel that I need to be proactive, so I took these the day they became available. I will encourage all officers to complete their updates as soon as possible, to remain current with the changes in the Law.

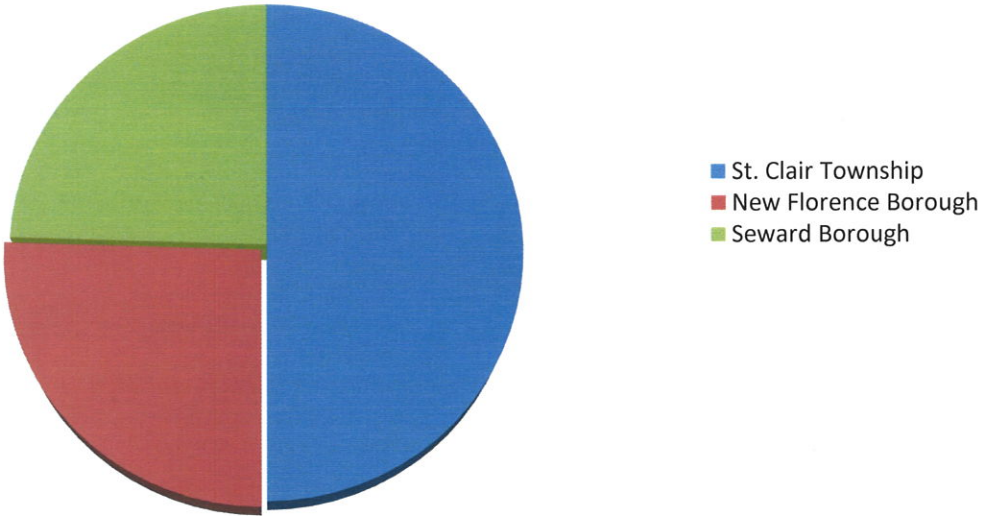

There was a reported burglary in Seward Borough in which a generator belonging to the borough was stolen from their building. No suspects at this time. Charges were filed for misdemeanor Disorderly Conduct and Harassment for an incident at M&C Trucking. A traffic citation was issued for a school bus violation. I would like to remind everyone that when a school bus is at an intersection with its flashing light activated the entire intersection is controlled at that time. It is illegal to proceed even if you are tuning the opposite way the children are exiting, and not passing the bus. This is the third incident this school year. There is a \$300.00 fine a 60-day suspension and 5 points against your license.
