**550 Seward St. Seward PA 15954**

**(814) 446-4261**

**Jeffrey W. Janciga, Chief of Police**

### **Police Department Report for January 2023**

1. The department received a resignation of Officer Mark Kasterko. Officer Kasterko has a business which has grown substantially. With such growth, Officer Kasterko has an increased time commitment to his business. Officer Kasterko will continue to assist this department with firearms training as needed. We wish Mark well in his future endeavors and thank him for his service to our area.
2. As of this writing, all hired officers are prepared and trained to begin working. Officer Goggin has begun working to assist the department with several criminal investigations.
3. The department currently has 5 active criminal investigations. Of these investigations, at least 3 arrests are expected in the near future.
4. The department is currently in an information-gathering/consulting phase regarding potential, jurisdictional issues when crossing county lines during “continuous” incidents. This issue, by itself, has taken up about a week’s worth of time.
5. An arrest warrant was served in New Florence. This warrant resulted in one individual being taken into custody after a foot pursuit near the Conemaugh River.
6. As a reminder, this department is not staffed 24/7. The only method to contact this department is by calling “911”. The schedule for this department is not shared as sharing would create an operational security risk.

7. As a reminder, please slow down and drive cautiously. We, again, have had numerous crashes in our area. By slowing down, we give ourselves more time to react to a situation or condition change, thus aiding our ability to avoid a crash.
8. The marked Dodge Charger experienced another issue with the light bar. This unit was taken to "Team Force" where the issue was determined to be a board in the light bar. This light bar is well out of warranty. Team Force replaced the board at no charge to the department. A new board costs approximately \$700. A new light bar costs approximately \$2000-3000. I am thankful to Team Force for their continued commitment to public safety organizations, both large and small.
9. The printer at the department needed replacement. A new printer was purchased, installed, and is functioning very well.
10. We are thankful to Seward Borough for their donation of numerous items from their former police department. This donation will provide for cost-savings as many of the items which were donated were of immediate need. Thank you.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Jeffrey W. Janciga".

Jeffrey W. Janciga

Chief of Police/SCTPD

### Police Reports for January 2023

St. Clair Township: 77

Seward Borough: 36

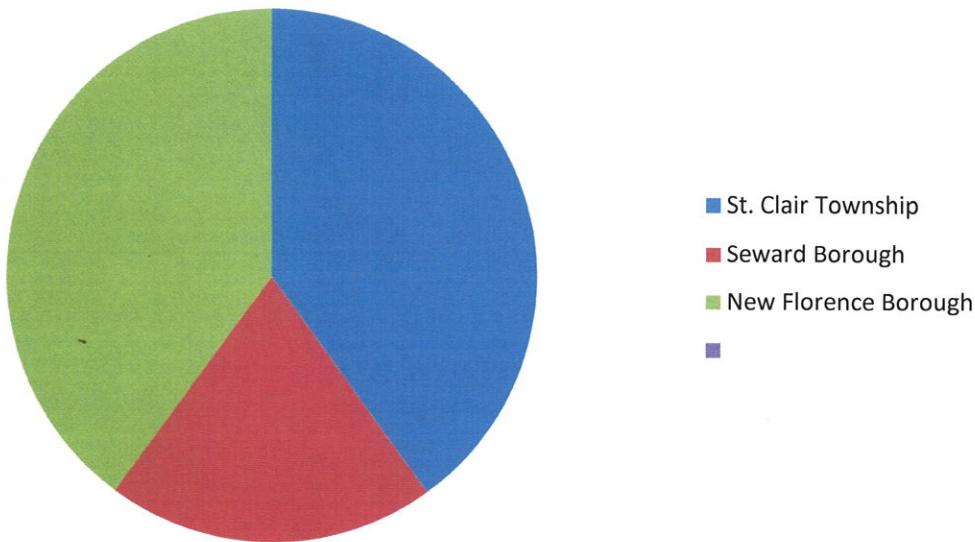

New Florence Borough: 38

The department continues to work diligently on numerous, criminal investigations. These investigations include a "recovered" stolen vehicle, 2 reports of sexual crimes, an incident of escape/flight, a large theft (estimated at over \$10,000), and a fraud.

The department filed a firearms violation charge this month. An arrest warrant was obtained and served within an hour of issuance. This filing occurred due to a combined investigation by the St. Clair Township Police Department, the Johnstown Police Department, and the PA Office of Attorney General, Gun Violence Task Force.

Each of the other criminal investigations are at various stages of completion. The completion of these investigations, at this point, are largely determined by the speed with which outside agencies can provide us with information needed to complete these cases.

## January 2023 Traffic Stops

### January 2023 Traffic Stops

St. Clair Township: 2

Seward Borough: 1

New Florence Borough: 2

In January 2023, this department issued one traffic citation.

Please slow down. The weather will soon be improving. With improving conditions, more traffic enforcement will be attempted. Of note, we have a vehicle with a functioning dash camera. This camera is continuously recording on a loop. The camera will capture offenses prior to the camera being activated. Excessive speed of vehicles is obvious on "playback". Further, this department utilizes mobile computers and electronic filing of traffic citations. This removes the need for hand writing a citation. Again, please slow down. Always drive with caution.
