**Police Department Report for January 2025**

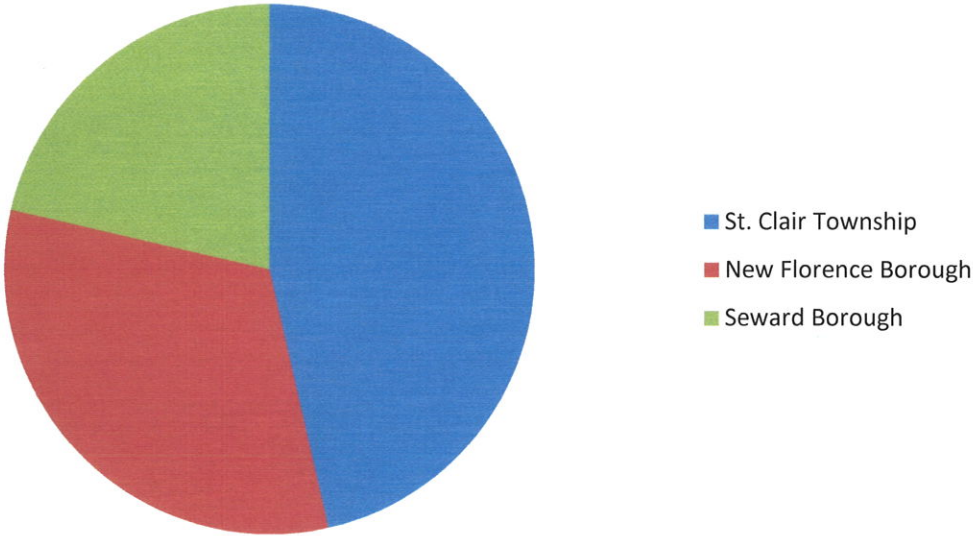

The St. Clair Township Police Department is moving along smoothly. There are no new crimes to report in any of the three municipalities we serve. There were no reportable or non-reportable crashes in January. There was a vehicle stuck over the embankment on SR 711 across from the Roadway Plaza this vehicle was stuck in the snow and did not do any damage therefore it does not meet the requirements for a crash. The incident was reported by the operator of the vehicle and 911 were advised it would be pulled out as soon as possible. This took longer than expected. The towing company had multiple jobs ahead of this one. This resulted in several calls 911 being placed for the same incident. A white rag hanging from the driver side window might have prevented this by letting other motorists know it was disabled. There were no traffic stops conducted. Several minor violations observed but due road conditions and extreme cold it becomes unsafe for the Officers and public to conduct these stops.
