Chief of Police Patrick M Goggin

Police Department Report for July 2024

The department is running smoothly with the decreased man power. We are actively seeking a part time police officer to improve are coverage. We are continuing our efforts to remain highly visible. We have changed up the hours and days of the week to provide as much coverage as possible without being predictable. This versatility provides us greater visibility until we can replace the position vacated by my switch to full time status.

Total Calls for the month are 289
