Police Department Report for April 2024

1. The department is continuing our efforts with the Report Management system to retain a smooth transition with the switch to the NIBRS reporting system. St Clair Twp is one of the 10% of PA Departments to achieve this certification.
2. The department continued with efforts on increased visibility. This improves our efforts in traffic control and public relations. Increases in Foot Patrols in the park areas are designed to increase accessibility to police.
3. The switch of contact information and approval of Crash reporting system is completed. Also JNET responsibilities of Registrar and Sponsor as well JTAC Officer were also assumed by me.
4. Total reports for the month **483**

St. Clair Township **173**

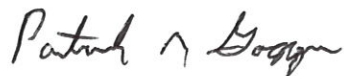

New Florence Borough **164**

Seward Borough **142**

One reported Burglary in St. Clair Township Investigation open.

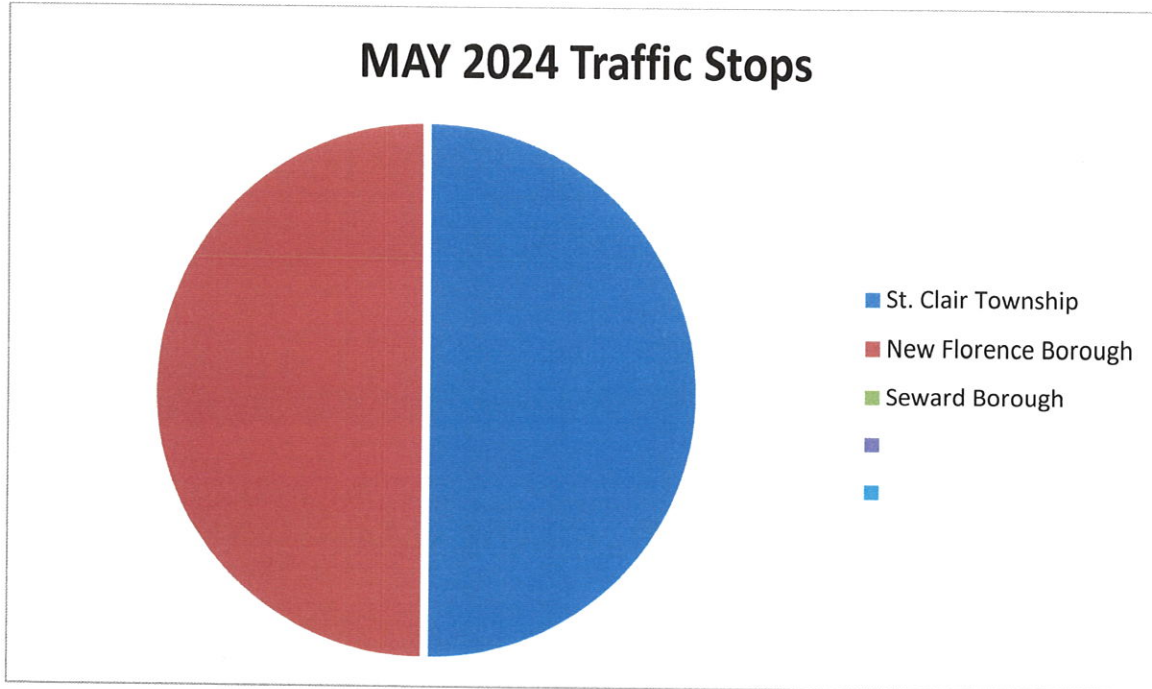

Effective June 15 2024 Chief Janciga will be resigning position with the St.Clair Township Police Department to take a position with the newly formed Johnstown School District Police. This is a great opportunity for him and his family. Chief Janciga has been instrumental in moving this Department forward and he will certainly be missed. Over the past year he has instructed me in the various administration duties required keep the department moving forward. I enjoyed working with him for the last 20 years and well always consider him a once in life time friend.

Respectfully Submitted,

Patrick M. Goggin
Criminal Investigator/SCTPD
