Police Department Report for September 2024

The Police Department is running smoothly on reduced staffing which we are attempting to correct. The department continues to very schedules times and days of the week to effective patrol our communities to the fullest extent possible. Traffic enforce was increased this month with special attention to the children returning to the class room after their summer break. I would like to remind everyone to be on the lookout for school buses and children crossing the roadway especially in the early morning hours when it dark out.

Officer Marsh and I met with the Principal and School Security Officer at Laurel Valley Elementary School. We toured the building and were briefed on their security plans. During our tours we stopped in all the class rooms and met with students and teachers to help with community relations. The department will start doing foot patrols though out the school as time permits.

The department will be conducting several mandatory training such as use of force and firearms qualifications.

We had one reported criminal mischief reported in Seward Borough.
